About Panaro's Restaurant

Panaro's Restaurant, named in honor of our late mother Kathy Concialdi (nee Panaro), opened in September 2004 by brothers Mike & Tony Concialdi.

We wanted to honor our mom by incorporating her delicious family recipes into a business that would also provide outstanding catering & fantastic homemade desserts. We like to think when you dine with us it's just like eating Sunday sauce at grandma's house. You will be served by our outstanding waitresses who also happen to be family...our cousin Lynn & sister Katie! With our recent restaurant expansion this past year we have recruited our little brother Stevie into the family business! Our family thanks you for your continued patronage & support.
Chef Tony, Mike & Stevie
